Meiveda Ayurvedic & Yoga Beach Resort

Psoriasis – 14N

The Psoriasis Treatment Programme at Meiveda Ayurvedic & Yoga Beach Resort, Kerala, focuses on supporting skin health through a personalised Ayurvedic approach. Based on the individual's skin condition and the Ayurvedic physician's assessment, the programme may include traditional Ayurvedic therapies, prescribed herbal preparations, medicated oil applications, dietary guidance, yoga and lifestyle modifications. The treatment aims to help manage symptoms such as itching, dryness, redness and skin irritation while promoting relaxation and overall well-being. The therapies and duration are tailored to individual needs following a medical assessment. Psoriasis is a chronic skin condition, and Ayurvedic care should complement appropriate dermatological treatment rather than replace it.
